III. Reports

REPORT TO REVIEW	PTA
	<ul style="list-style-type: none"> The Spring Festival Wrap Up- The festival brought in about \$1000 more than last year! We are grateful that 25 businesses donated to our festival this year. We are already planning for next school year’s festival by exploring what worked well this year and what didn’t work as well.
	<p>Principal’s Report</p> <ul style="list-style-type: none"> Budget for the 2024-2025 school year has been finalized. Hours had to be cut for the following positions: librarian, counselor, teacher assistants, and the community representative. We are planning to have three combo classes next school year. We will have a K/1st, 2nd/3rd, and a 4th/5th. The board will decide if the business that is leasing a few of the rooms at our campus will continue to be housed at our school for the upcoming school year. Even through it is very late in the school year, students are still enrolling at Lynn Urquides. Parents News: It is VERY important to register your child for the 2024-2025 school year as soon as possible so that we can make sure we are prepared for next school year. Please see the office if you need help registering your child. Thank you!
