REPORT TO REVIEW	PTA
	<ul style="list-style-type: none"> Nacho sales went well in January. February sales are lower due to all of the activities that have taken place, which caused fewer days to sell nachos. Spring Festival planning is well underway. Mrs. Dehnnny is going through the games we already having and looking into getting a few more. Donations are coming in for the festival from some of our great past supporters and Mrs. Dehnnny is also reaching out to new donors. The PTA is working on the menu for the festival and trying out new snack ideas. The Book Fair went very well. Thank you for purchasing items to help your child get excited about reading and to help support our school. We have a Science and Math night February 27. If students complete their Science and Math Night Passport they will receive Nachos. This exciting night with include a DNA necklace activity presented by Biotech, Lava Lamps presented by Pueblo High School, prizes, and much more! We hope you will join us from 5:00-6:30. The PTA would like to invite parents to a Wellness and Self Care class on March 4th.
