4. Ideas/Suggestions

Any ideas or suggestions on events, programs in school?

Mr. Dickson suggested a Trivia/Game Night that parents and students can come and join.

SCL suggested having an idea of a career night for parents to come and talk about what they do for a living and how did they pick their chosen field.

It was suggested that we can also have a sing-along or karaoke night. Instead of a movie night. Mr. Dickson stated that we can have a Dr. Seuss sing-along.

SCL suggested a resource night, we can invite different resources so that parents can learn about resources available to them, such as coat drives, clothing pantry, food pantry, chats around TUSD.

5. Questions

Mr. Dickson asked Ms. Ally about the student council dance and asked whether this dance could also involve younger students in the future. Ms. Ally reported that student council is using this as a trial run and possibly agree to include younger students at future dances.

SCL reported that we can possibly ask teachers to get involved and ask students to sign contracts and ask their teachers to vouch for them in order to have them behave in these activities.
