Welcome back, Lynn Urquides Families!

We look forward to seeing you and meeting our newest Coyotes. We are very happy to be on campus this year. The teachers and staff are excited to be here. Our teachers and staff are committed to focusing on fostering relationships, learning new concepts, and creating new and fun memories with our students.

We would like to thank you for welcoming us into your homes virtually and for your support through the end of the 2019/2020 and 2020/2021 school years.

Our first day of class is August 5th. The first bell rings at 8:05 AM. At 8:15 AM, the tardy bell rings and guardians will need to sign their student in at the office. Breakfast is served at 7:45 AM. The gate to Plaza and QT will open at 7:45AM and locked at 8:15AM. It will again be opened at 2:25 PM and locked at 2:45 PM. We do this for the safety of our students and staff. Breakfast and lunch are free this year for all of our students. There is not any paperwork to fill out this year for the free breakfast and lunch. Dismissal is at 2:25 PM, on Wednesdays, dismissal is at 1:25 PM. Please be aware that students should not be on campus before 7:45 AM or after 2:45 PM (unless participating in a school-related function) as no adult supervision is available. If you will be dropping off or picking up your child from school, we ask that you please do so in the parent pick up/drop off area.

In case of an urgent message that needs to be delivered to individual students, please notify the school as soon as possible and **NO LATER than 30 minutes prior to the end of the instructional day.* *We ask that you not check students out early as instructional time is lost.**

It is crucial that students are present on the first day of school. Teachers adjust the classroom as needed to meet the needs of the number of students in class, they tour the school and meet additional staff, routines and procedures are put in place, and most importantly, teachers set behavior and academic expectations. We do not want students to miss these very first few days that set the standards for the school year.

Meet the Teacher/Open House is scheduled for Tuesday August 3rd, from 3:30 PM-5:30 PM. Teachers will have information on grade level curriculum, academic expectations, and classroom routines and procedures. During this time, families will be able to meet their child's teacher, see their child's classroom, and ask questions as needed.

I am excited and honored to work with you and your child. We look forward to a successful year!

Thank you for allowing me to be part of your child's education,

Mrs. Salcido, Principal
