Lynn Urquides Extended Day

A Continued Learning After-School Program

Lynn / Urquides Extended Day Program provides a safe and stimulating place for Lynn/ Unquides students after school. With our on-site location, children report to the after-school program in the school cafeteria immediately following school dismissal. After-school offers a fun, safe and education experience. Monthly themes and weekly lesson plans in the areas of education, arts & music are meant to challenge and excite children in their learning experience.
